Measurable Annual Goals

Annual Goal: What the student will be expected to be able to do by the end of the year in which the IEP is in effect.

Evaluative Criteria: How well and over what period of time the student must demonstrate performance in order to consider the annual goal to have been met.

Procedures to Evaluate Goal: The method that will be used to measure progress and determine if the student has met the annual goal.

Evaluation Schedule: The dates or intervals of time by which evaluation procedures will be used to measure the student's progress.

Annual goals need to be chosen based on the 4 domains (in priority order) which are given below

Band A (Special Education Goals)

1. Social Development (Refer to Relevant Key Competencies)
2. Adaptive Behaviour (Refer to Relevant Key Competencies)
3. Physical Development (Refer to Relevant Key Competency)
